## BRIEFS AND PERSONALS.

"We can't help me when I feel  
And would some pretty story tell,  
Or kiss the place to make it well,  
My mother."

Mrs. C. R. Crute spent last week in Richmond.

Tobacco still coming in every day and selling well.

Farmville's base ball team will be a winner this season.

If you would be respected and happy, mind your own business.

Mr. W. H. Burger, who has been quite sick, is steadily improving.

Mr. E. Scott Martin has sold the Union residence to Mr. C. C. Dillon.

Rev. R. A. McFarland preached for a Baltimore congregation last Sunday.

General Lee surrendered 41 years ago last Monday, April 9th. How time flies.

Hoge Academy suffered some defeat last Friday by the Hampden-Sidney basketball team.

Merchants who are busy in the spring season.

Way from home in a distant city, take the Herald, and do not forget to write often to father and mother.

Mr. Beverly Winston, having completed his examinations in Richmond, has returned home for the summer.

If you don't believe advertising will help you to sell your goods ask some of those who advertise in the Herald.

Figuring up a bank account is not always a blessing. It takes more than dollars and cents to make a man happy.

Mr. J. W. Blanton will travel in a few days for Powell Bros. & Co., New York, large wholesale shoe dealers.

Mrs. Royall, of Powhatan county, stopped over to see her daughter, Mrs. Nannie Rice, on her way home from Florida.

Mrs. W. E. England returned Monday from Richmond where she had been for several weeks under medical treatment.

Would it not be wise for our sanitary committee to look into the condition of the town before the warm weather sets in?

The ice plant will be in full operation by June 15th. The site selected is on South street in the rear of the old Windsor Hotel.

In the absence of Rev. R. A. McFarland, of the Baptist Church, the pulpit was occupied last Sunday by Rev. Oscar Littleton.

E. P. Shepard, George Carter, George Elean, F. W. Coleman and Sam Wheeler, of Buckingham, were in town last Wednesday.

Mr. R. L. Paulett, travelling salesman for the American Tobacco Co., has been home during the week past. He expects to leave in a few days for Arizona.

At the annual stockholders meeting of the Farmville Building and Trust Co., held last Tuesday, all the old members were re-elected and a dividend of 8 per cent. declared.

The town council has never appropriated a sum of money to a better purpose than for the running of a Summer Normal. An expenditure which will repay the town four-fold.

Twenty months—twenty counties. That's the length of Rev. R. A. McFarland's pastorate in Farmville to date and the number of marriage ceremonies he has performed in that time.

At a recent meeting of the stockholders of the Planters Bank the following were elected: H. A. Stokes, President; Directors: J. J. Walker, W. T. Clark, A. E. Craile, S. W. Paulett, Sr., H. E. Wall and H. C. Crute.

Three Germans were sitting at luncheon recently and were overheard discussing the second marriage of a mutual friend, when one of them remarked: "I tell you that. A man that marries de second time don't deserve to have lost his first life."

Good for the town council. Now for a similar amount from the Board of Supervisors—or at least one-half the amount and the Farmville summer Normal will not only be an assured success, but the best in Virginia, outside of the school of methods at Charlottesville.

A superb course of entertainments has been engaged for the coming season at the Opera House. Indeed a guarantee is furnished that no course has ever equalled this one in our town.

The first, the International Concert Co., will come in October; the second, the Italian Boys and Elbert Poland, in November; the third and fourth in January, Spillman Riggs, the famous humorist, and Harmony Concert company; the fifth and last, The Floyds Spectacular Illusions in March.

We congratulate our friend C. B. Cunningham, who has been given the brokerage account of several of the largest manufacturers and importers in this country. Among them is the internationally known house of Edwin J. Gilie & Co., importers of teas, coffee, spices, etc., of New York. In addition to the number of accounts which Mr. Cunningham holds he is the travelling representative for this territory of Purcell, Ladd & Co., wholesale druggists, of Richmond.

Address by Admiral Webster.

Not often is the opportunity given to our landmen to see and hear a real live Admiral, but, thanks to Miss Blandy of the Kindergarten department of the Normal, that privilege will be accorded to all next Tuesday afternoon at 2:45 o'clock, when her distinguished friend, Admiral Webster, of the U. S. Navy, will make an address in the Auditorium of the Normal School. His subject will be, "Life on a Man of War."

The Admiral has consented to come to Farmville to speak to "the mothers" at the Kindergarten, but realizing that many others would be glad of the privilege of hearing him, Miss Blandy has kindly arranged for him to speak in the Auditorium, and the people of the town as well as the students at the Normal, are cordially invited to be present.

When a girl marries an old man for his money she wears a saintly look to make it seem natural.

## Town Council Meeting.

The regular monthly meeting of the town council was held last Tuesday night. Mayor Blanton presided and the following members were present: Messrs. E. L. Erambert, Walker Scott, S. W. Watkins, W. C. Fallwell, H. E. Wall, W. M. Duval, H. E. Barrow and Dr. Anderson.

Mr. Fallwell recommended that the Ladies' Cemetery Committee be permitted to remove several big trees from the main driveway in the cemetery. Adopted.

Mr. Erambert reported the revival of the ugly habit in some persons of removing from the cemetery flowers which are placed upon graves. The council deferred action.

Upon the recommendations of Dr. Anderson and at the request of a large number of citizens, Mr. Wall moved that the Street Committee co-operate with the Board of Supervisors with reference to macadamizing the roadway from the west end of the cross-lane leading from Sycamore bottom to the corner of Fourth and Main streets. The motion was unanimously carried.

Recommendations from the Chief of the Fire Department, G. M. Robinson, that a number of additional fire plugs be placed, was referred to the Fire Committee for investigation and report at the next meeting.

On motion the telephone companies will be requested to paint their poles on Main, High and Third streets.

Dr. Anderson, on behalf of the physicians of the town, requested that the adoption of the ordinance laying a license-tax on practicing physicians, be deferred until the May meeting which will give time for a committee to appear before the Finance Committee for the purpose of submitting reasons for abolishing such license tax. On motion of Mr. Wall the request was granted.

The license taxes were adopted without material change from those which have obtained for several years.

Just before hearing committees reports, Rev. J. H. Davis, the county superintendent of schools, was accorded the privilege of the floor, and spoke in the interest of a summer normal for Farmville. Mr. Davis briefly stated the situation, explaining the requirements for obtaining one of the eight schools and asked a liberal appropriation by the council. At the conclusion of Mr. Davis' remarks which were heard with marked interest, Mr. Wall moved that the sum of \$500 be appropriated for a white summer normal to be held in Farmville. The motion was carried without a dissenting voice.

Before adjourning Captain Paulett was granted a hearing in behalf of a matter which is of general interest. He recently had a conversation with the superintendent of the Norfolk and Western Railway, during which the town spring lot near the passenger station, was incidentally referred to. Captain Paulett's opinion was that this lot should be converted into a public park, with grass, trees, comfortable seats and enclosed. The railway official promptly expressed the same views and told Captain Paulett that if the town council would agree to the park proposition he would have brought here enough rich soil to produce the grass. The council after a brief discussion referred the subject to the proper committee.

On motion of Mr. Scott, Mr. Erambert will have charge of the Confederate Monument and will see that proper care and protection is given it.

\$45,000 for the Blackstone Institute.

After correspondence extending over several weeks, Mr. Andrew Carnegie has offered \$12,500 to the Blackstone Female Institute on condition that the friends of the Institute will raise \$32,500 additional. The money would be used to erect a large wing on the west end of the present building, in which would be located a large Music Hall, Library, Gymnasium, and about 40 bed-rooms. This addition would not only give more room in the boarding department, but it would also add greatly to the facilities of the school in the Music, Literary and Physical Culture departments. The money over and above the amount necessary to erect this new building will be used to pay the bonded and floating debt of the Institute. Mr. Carnegie makes that a condition of his gift. President Cannon has begun work to raise the \$32,500.

The strongest moral argument to stop women from smoking cigarette is that it spoils their complexion.

## Death of Mr. Wilkerson.

Mr. A. Holmes Wilkerson, formerly of Darlington Heights, but recently of Pittsburgh, Pa., died at his home at the latter place on last Saturday, the 7th instant, of typhoid fever, in the 29th year of his age. He had been sick only about three weeks and his death came as a great shock to his many friends.

For years he had lived at Darlington Heights and was well known in that community. He was a consistent member of Spring Creek Baptist church and lived a noble Christian life.

On October 25th, 1905, he was married to Miss Mary L. Chernauff, daughter of Mr. and Mrs. J. W. Chernauff, of Hampden-Sidney, and since then they had resided in Pittsburgh, where he was stricken with the disease which caused the end.

During his short life he had been a devoted husband, son, brother and friend, and in his death the community in which he had lived has lost one of its noblest young men.

Besides his wife he leaves a father, Mr. Sam Wilkerson, of Darlington Heights; three sisters, Misses Nora and Witt Wilkerson, of Darlington Heights; Mrs. W. J. Wilkerson, of near Farmville; two brothers, Messrs. George Wilkerson, of Danville, and Sam Wilkerson, of Meherin, and a host of friends and relatives to mourn his loss.

The remains were brought to Farmville Tuesday morning and from here were taken to Darlington Heights where, in the presence of many friends and relatives he was laid to rest beside his mother in Spring Creek cemetery.

The following were the pall-bearers: Messrs. Garland Wilkerson, A. D. Jenkins, J. H. Wilkerson, R. C. Chernauff, Stephen Wilkerson and Russell Wilkerson. Rev. Mr. Williams conducted the services.

The bereaved wife and both families have our deepest sympathy.

Farmville Local News—Thirty-two Years Ago.

[Farmville Mercury, April 14, 1874.]

ANOTHER EARTHQUAKE.—Last Saturday night Farmville was again aroused from peaceful slumber by a twine-half earthquake. The explosion took place at about 12 o'clock and is said to have made a noise.

Such is life.

Worham.—Last Saturday we journeyed to Worham on Price's stage. Owing to the eccentric condition of the roads the stage rocked to and fro in a most unreasonable manner, shaking things up generally, causing our dinner to rebel and at last persuading us to reluctantly part with it.

In Worham mine hostess, Hines tempted us with such excellent fare that in two meals we made an enviable reputation as a hearty eater.

Worham seems to have been a beautiful place, but it is now sadly depleted. We sincerely hope the time is not far distant when this village, so beautifully situated, may be as prosperous as the people would like it to be, and as capital and energy could profitably make it.

THE LATEST.—A little twine half if you please," is the way we heard a fellow utter his fuel oil the otherday.

Jones-Bowman.

On Wednesday evening at 9 o'clock, in the presence of quite a number of friends, Mr. Walter D. Jones and Miss Martha Bowman were united in marriage at the home of the bride's parents, Mr. and Mrs. Sidney Bowman.

Rev. R. A. McFarland was the celebrant. Both these young people were born and reared in Prince Edward, and their best wishes attend them.

Fire at The Normal.

The greatest excitement prevailed Tuesday morning occasioned by a fire in one of the buildings at the Normal School. The fire was discovered a little after 5 o'clock in the ceiling of the kitchen. The alarm was sent out and soon scores of willing hands were at work putting out the flames.

In the meantime the hundreds of students had made their exit from the dormitories and were quietly awaiting results, which happily were soon reached. Before the breakfast hour everything at the Normal School was moving with accustomed regularity, and the day's work of faculty and students went on as though no such exciting incident as a fire had occurred.

The damage amounted to only \$250 which was covered by insurance.

A Rate Change.

The New York Symphony Orchestra has agreed to give a concert at Blackstone on Saturday morning, April 21st, from 9 to 11:30 o'clock, provided 50 tickets can be sold. The orchestra will play in Lynchburg on Friday night and in Norfolk on Saturday night, at both of which places they will receive \$1,200. They have agreed to give a day concert at Blackstone if they can be guaranteed one-half their usual charge. The Orchestra is composed of 50 of the finest musicians in the country, each one in the line very best available, with Mr. Walter Harnois, the greatest conductor in America, directing. Only for a small part of each season, can the Orchestra be heard outside of New York City, and such an orchestra has never played in Virginia outside of cities of the first class. It is, therefore, an exceptional privilege which is offered to the people of Southside Virginia to hear as fine music as can be heard anywhere in the world.

Six hundred tickets will be sold at the name of that point is— "pure lead and zinc." The dealer who sells it says it's as good as leucine.
